**PU** - Polyurethane | **TPU** - Thermoplastic Polyurethane  
**EVA** - Ethel Vinyl Acetate | **PUR** - Polyurethane Rubber

The pinnacle of our RotoFlex Range, the wheat #8560 combines world-leading design, an all-new comfort system and composite toe protection with all the legendary Blundstone durability you know and love.

- Wheat water-resistant nubuck leather upper safety boot—150mm height
- 7 eyelet lace up with unique metal free, friction resistant lace rings
- Laces are manufactured from recycled PET
- Durable, heavy duty zip with industrial grade zip fastener
- New lining made from recycled PET offers moisture wicking and long lasting performance
- Streamlined TPU toe guard for added leather protection

**INFINERGY®** —E-TPU, a super elastic energy foam that is soft but resilient, providing enhanced cushioning and reducing the impact of every step.

**GRIPTEK HD®** —biomechanically designed TPU outsole designed for optimum grip and stability.

- abrasion resistant and heat resistant to 140°C
- oil, acid and organic fat resistant
- highly resistant to hydrolysis and microbial attack

**FORTALITE®** —broad fitting compression-resistant composite toe cap provides safety without the weight. Tested to resist a 200 joule impact.

**AIRCELL®** —uniquely constructed zoned airflow footbed is designed with specialised breathing channels to activate ventilation, moisture control and provide full-body cushioned comfort. The footbed is anti-bacterial, washable and breathable.

**SOFTCELL®**—the overarching comfort system utilising a combination of specialist materials and the unique biomechanical foot-cradling design to increase stability, balance, comfort and manoeuvrability. Designed to reduce the risk of trip, slips and falls.
