COMF2BULL

The Angus is a lace up boot designed for light work. With a 140°C heat resistant sole and Comf2Bull gel footbed, it's perfect for transport, warehousing and DIY.

- Black microfibre upper
- PU midsole with TPU outsole, heat resistant to 140°C
- New design sole with 5mm deep tread expels foreign materials and resists clogging
- Broad fitting 200 joule impact-resistant Type 1 steel toe cap
- Soft PU Comf2Bull footbed, with gel inserts at the high impact strike points
- Steel shank—ensures correct step flex point, assists with torsional stability
- Moulded TPU toe guard

PU - Polyurethane | TPU - Thermoplastic Polyurethane
EVA - Ethel Vinyl Acetate | PUR - Polyurethane Rubber

Refer to our website for further details of the 30 day comfort guarantee and the manufacturer's 6 month warranty.
